## ORDER

Re: **In re McNitt Minors**  
Docket No. **282949**  
L.C. No. **06-000044-AT**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction. If the order of December 18, 2007 order is a probate court order there is no appeal directly to this Court. See MCR 7.203(A) and (B). Second, if it an order from the family division of circuit court there is no appeal of right because the order constitutes a circuit court decision on appeal from a tribunal. See MCR 7.203(A)(1)(a).
